

## Selection of single function diagram

The image shows a Windows-style dialog box titled "POS-80C Properties". It has a blue title bar with a question mark icon and a close button. Below the title bar are five tabs: "General", "Sharing", "Ports", "Advanced", and "Device Settings". The "General" tab is selected. Inside the "General" tab, there is a printer icon with a checkmark, followed by a text box containing "POS-80C". Below this are two empty text boxes labeled "Location:" and "Comment:". Further down, it says "Model: POS-80C". A section titled "Features" contains several settings: "Color: No", "Double-sided: No", "Staple: No", "Speed: Unknown", and "Maximum resolution: 203 dpi". To the right of these is a "Paper available:" label and a list box showing "A4". At the bottom of the "General" tab are two buttons: "Printing Preferences..." and "Print Test Page". At the very bottom of the dialog box are three buttons: "OK", "Cancel", and "Apply".
