FAMILY RUN COMPANY

more than 35 years of
experience in handcrafting
home textiles

THE BEGINNING...

our story started in 1985 with one wooden loom, one artisan and the rescuing of leftovers from the textile industry to hand weave rugs

our factory
today

UPCYCLING

(since before upcycling
became a word)

the creative process of
transforming waste materials
or by-products, into new
products

TRADITIONAL WEAVING

Handmade weaving is the art that allows us to give life to these resources, wasted by others, and so valued by us.

Our commitment is also to perpetuate the art of artisanal weaving and transfer knowledge to future generations of artisans.

A warm-toned photograph of a living room. In the foreground, a brown velvet sofa is adorned with a pink fringed throw blanket and two patterned cushions. To the right, a round wooden coffee table with a pedestal base sits on a light-colored textured rug. In the background, a dining table with a dark patterned cloth and white chairs is visible near a large window with sheer curtains. The overall atmosphere is cozy and inviting.

A treat for your feet, more style for your home, your dining
space, and a companion for your furniture

SPECIAL COLORS

A photograph of a bedroom interior. In the foreground, a bed is covered with a light-colored, wrinkled duvet. A large, light-colored pillow is visible at the head of the bed. To the right of the bed, a small, round, silver-colored metal side table stands on a wooden floor. On the table is a white ceramic vase containing a bouquet of dried, reddish-orange flowers. A white curtain hangs on the far right. A textured, light-colored rug is partially visible on the floor. The word "BED" is overlaid in the center of the image in a white, serif font, flanked by two thin vertical white lines.
