

Números de 400 a 499

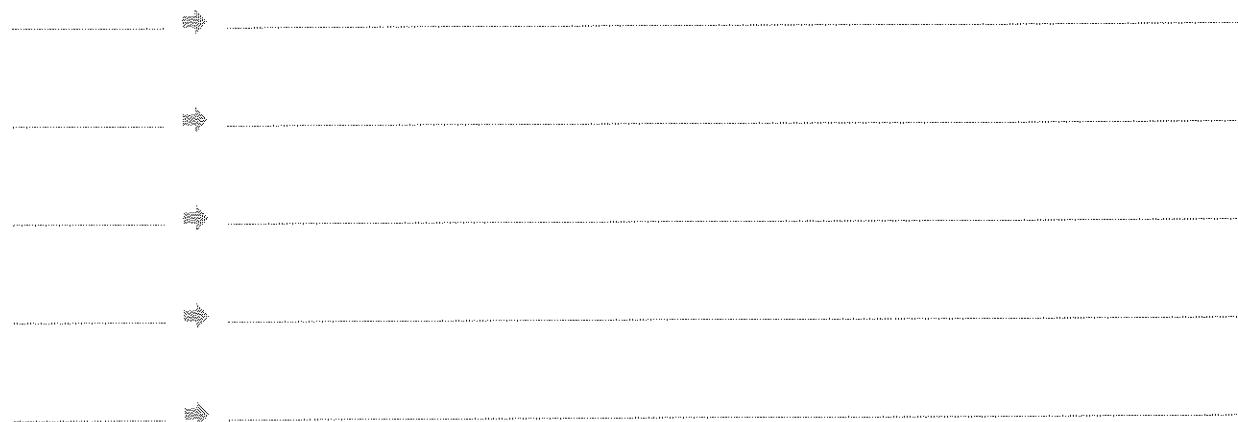

- Completa o quadro segundo a regra “o dobro”. Escreve os respectivos números, em português, nas linhas abaixo. Observa o exemplo.

200	210	215
232	240	245

$\times 2$
→

400		

400 → quatrocentos

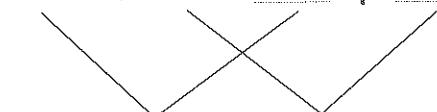

- Calcula e completa.

$$330 + 130 = \underline{\quad}$$

$$300 + \underline{\quad} + \underline{\quad}$$

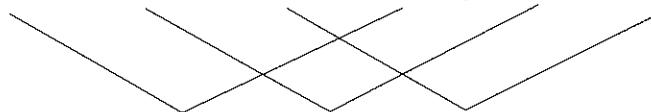

$$\underline{\quad} + \underline{\quad}$$

$$354 + 112 = \underline{\quad}$$

$$+ 50 + \underline{\quad} + \underline{\quad} + \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad}$$
