

Always
Bon Jovi

This Romeo is bleeding
But you can't see his blood
It's nothing but some feelings
That this old dog kicked up

It's been raining since you left me
Now I'm drowning in the flood
You see I've always been a fighter
But without you I give up

I can't sing a love song
Like the way it's meant to be
Well I guess I'm not that good anymore
But, babe, that's just me

And I will love you, baby
Always
And I'll be there, forever and a day
Always
I'll be there till the stars don't shine
Till the heavens burst and the words don't rhyme
I know when I die, you'll be on my mind
And I love you, always

Now your pictures that you left behind
Are just memories of a different life
Some that made us laugh
Some that made us cry
One that made you have to say good bye

What I'd give to run my fingers through
your hair

To touch your lips, to hold you near
When you say your prayers, try to understand
I've made mistakes, I'm just a man

When he holds you close
When he pulls you near
When he says the words
You've been needing to hear
I wish I was him, cause those words are mine
To say to you till the end of time and

I will love you, baby
Always
And I'll be there, forever and a day
Always
If you told me to cry for you, I could
If you told me to die for you, I would
Take a look at my face
There's no price I won't pay
To say these words to you

Well there ain't no luck in this loaded dice
But babe if you give me just one more try
We can pack up our old dreams and our old lives
We'll find a place where the sun still shines and

I will love you, baby
Always
And I'll be there, forever and a day

Always

I'll be there till the stars don't shine

Till the heavens burst and the words don't
rhyme

I know when I die, you'll be on my mind

And I love you, always

Always
