Goo Goo Dolls

And I'd give up forever to touch you
'Cause I know that you feel me somehow
You're the closest to heaven that I'll ever
be

And I don't want to go home right now
And all I can taste is this moment
And all I can breathe is your life
And sooner or later it's over
I just don't want to miss you tonight

And I don't want the world to see me
'Cause I don't think that they'd understand
When everything's made to be broken
I just want to you know who I am

And you can't fight the tears that ain't
coming

Or the moment of truth in your lies
When everything feels like the movies
Yeah, you bleed just to know you're alive

And I don't want the world to see me
'Cause I don't think that they'd understand
When everything's made to be broken
I just want to you know who I am

And I don't want the world to see me
'Cause I don't think that they'd understand
When everything's made to be broken
I just want to you know who I am
I just want to you know who I am
I just want to you know who I am
