

You Get What You Give

New Radicals

Wake up kids
We've got the dreamers disease
Age fourteen
we've got you down on your knees
So polite
we're busy still saying please

Frenemies
who when you're down ain't your friend
Every night
we smash their mercedes-benz
First we run
and then we laugh till we cry

But when the night is falling
and you cannot find the light (light)
If you feel your dream is dying
Hold tight

You've got the music in you
Don't let go
You've got the music in you
One dance left
This world is gonna pull through
Don't give up
You've got a reason to live
Can't forget
We only get what we give

I'm coming home baby
You're tops
Give to me now

Four a.m. we ran a miracle mile
we're flat broke but, hey, we do it in style
The bad rich
God's flying in for your trial

But when the night is falling
you cannot find a friend (friend)
If you feel your dream is breaking
Cause then...You've got the music in you
Don't let go
You've got the music in you
One dance left
This world is gonna pull through
Don't give up
You've got a reason to live
Can't forget
We only get what we give

This whole damn world, can fall apart
You'll be ok, follow your heart
You're in harms way, I'm right behind
Now say you're mine

You've got the music in you
Don't let go
You've got the music in you
One dance left
This world is gonna pull through
Don't give up
You've got a reason to live
Can't forget we only get what we give
Don't let go
I feel the music in you

Fly high
What's real can't die
You only get what you give

Health insurance rip off lying
fda big bankers buying
Fake computer crashes dining
Cloning while they're multiplying
Fashion shoots(Don't give up)
with Beck and Hanson
Courtney Love and Marilyn Manson

Composição: Gregg Alexander / Rick Nowels

You're all fakes
Run to your mansions
Come around
We'll kick your asses

Don't let go
One dance left
Don't give up
Can't forget
Don't give up
One dance left
