EN This workbook contains exercises with one 'simple' assignment: play the best move. Just like in a real game, you do not know whether you can win or whether you have to defend. First, look at what's going on?
Is the enemy king in danger? Deliver mate (# 1 on page 3). Can your capture a piece? Search for unprotected or insufficiently protected pieces (# 2 and # 3). Is a friendly piece in danger? Defend! Is your king in check or is there a mating threat? Find the best solution: # 4, # 5 and # 6.
In the route planners only White moves (# 7 and # 8). In the diagrams # 9 and # 10 you have to create mate. In # 11 you have to add the right move and in # 12 you should mark the correct circle.
The last four pages are a bit more difficult and that is why the theme is indicated. Always check your solution! Good luck.

DE Ein Arbeitsbuch mit einem 'einfachen' Auftrag: Spiele jeweils den besten Zug! Genau wie in einer richtigen Partie weißt du nicht, ob du gewinnen kannst oder verteidigen sollst. Zuerst gut schauen, was los ist.
Steht der feindliche König unsicher? Setze Matt (# 1 auf Seite 3). Kannst du eine Figur schlagen? Suche ungedeckte oder unzureichend gedeckte Figuren (# 2 und # 3). Ist eine eigene Figur in Gefahr? Verteidige! Ist der König im Schach oder droht matt? Unternimm etwas dagegen: # 4, # 5 und # 6).
In den Routenplanern spielt nur Weiß (# 7 und # 8). Matt ausdenken steht in # 9 und # 10. Bei Aufgabe # 11 musst du die richtigen Züge ergänzen und in # 12 musst du die richtige Antwort ankreuzen.
Die Aufgaben ab Seite 61 sind schwieriger. Deshalb ist das Thema angegeben.
Überprüfe immer die Lösung!

FR Un livre de travail rempli d'exercices. La question est toujours 'simple': trouvez le meilleur coup. Comme pour une vraie partie, personne ne vous dit si la position est gagnante ou s'il faut surtout défendre. Regardez donc bien.
Le roi ennemi est-il en insécurité ? Faites mat (# 1 à la page 3). Pouvez-vous prendre une pièce ? Cherchez les pièces non ou insuffisamment protégées (# 2 et # 3). Une de vos pièces est en danger ? Défendez-la ! Votre roi est en échec ou menacé de mat ? Aidez-le : # 4, # 5 et # 6).
Dans les itinéraires, seuls les Blancs jouent (# 7 et # 8). Imaginez un mat dans # 9 et # 10.
Dans le # 11, il faudra compléter par le bon coup et dans le # 12, il faudra cocher la bonne réponse.
Les exercices à partir de la page 61 sont un peu plus difficiles et c'est pourquoi le thème est indiqué.
Vérifiez toujours votre réponse !

NL In dit werkboek staan alleen opgaven met de 'eenvoudige' opdracht: speel de beste zet. Net als in een partij weet je niet of je kunt winnen of moet verdedigen. Goed kijken wat er aan de hand is.
Staat de vijandelijke koning onveilig? Zet mat (# 1 op blz. 3). Kan je een stuk slaan? Zoek naar ongedekte en onvoldoende gedekte stukken (# 2 en # 3). Is er een eigen stuk in gevaar? Verdedig! Staat je koning schaak of dreigt er mat? Doe er wat aan, # 4, # 5 en # 6).
In de routeplanners speelt alleen wit (# 7 en # 8). Mat bedenken staat in # 9 en # 10. In # 11 moet je de juiste zet aanvullen en in # 12 moet je het rondje bij het juiste antwoord zwart maken.
De opgaven vanaf bladzijde 61 zijn wat moeilijker en daarom staat het thema aangegeven.
Controleer altijd je oplossing. Succes!
