

Lenda de S. Martinho

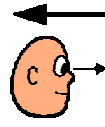

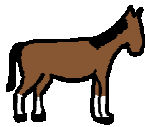

Segundo _____ a lenda, num dia _____ e tempestuoso de

1

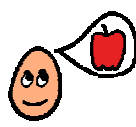

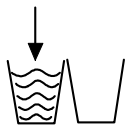

_____, um _____ romano, de nome Martinho, percorria o seu

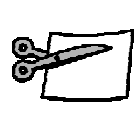

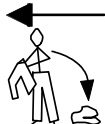

1

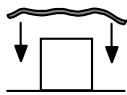

caminho montado no seu _____, quando deparou com um

mendigo cheio de fome e _____. O _____, conhecido pela

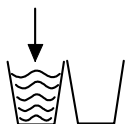

sua generosidade, tirou a sua _____ e com a _____ cortou-a

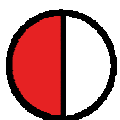

1

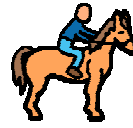

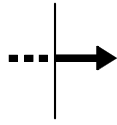

ao meio, cobrindo o _____ com uma das partes. Depois,

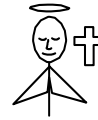

encontrou outro mendigo cheio de frio e ofereceu-lhe a

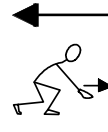

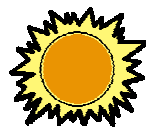

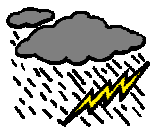

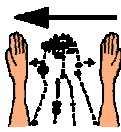

outra metade.

Sem _____, Martinho continuou a sua viagem ao frio e

ao _____ quando, de repente, como por milagre, o céu se

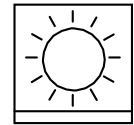

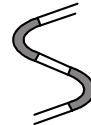

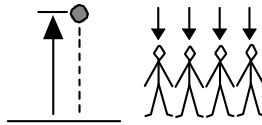

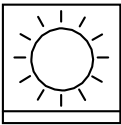

abriu, afastando a _____. Os raios de _____ começaram a

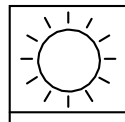

3

_____ a _____ e o bom tempo prolongou-se por cerca de _____

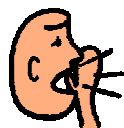

dias. Desde essa altura, todos os anos por volta do dia

11

_____ de _____, surgem esses dias de calor, a que se

passou a chamar "_____ de S. Martinho".
