

	code		description
1	12831000004666		cabinet assembly foamed
2	12231000007057		top hinge assembly
3	11303116000031		tapping screw
4	12131000005104		right top hinge cover
5	12131000006127		hinge shaft sleeve
6	12231000007010		middle hinge assembly
7	12131000005523		lamp cover
8	11303119000203		tapping screw
9	17431000000109		temperature control box assembly
10			printed knob
11			thermostat
12			Fixing plate
13			Lamp holder
14			Incandescent lamp
15	17431000000392		door switch
16	12231000006858		bottom hinge adjustable foot assembly
17	11303116000031		tapping screw
18	12931000000053		steel wire shelf
19	12531000000920		R glass shelf assembly
20	12531000001213		vegetable basket shelf glass
21	12131000000090		vegetable basket
22	12831000002555		F door assembly
23	12131000010251		F door seal assembly
24	12231000007057		door block
25	12831000000531		R door assembly
26	12131000010163		R door seal assembly
27	12131000005927		small tray
28	12131000005191		large tray
29	12131000003220		door block
30	12131000001014		none
31	12231000005850		compressor mounting panel assembly
32	17431000001077		VDE power cable
33	12131000004368		Drain tray
34	15531000000065		compressor process tube
35	15531000000122		dry filter
36	11101010001805		compressor virtual assembly
37	12131000000655		The screw cover
