Washer & Dryer

IMPORTANT ISSUES FOR DRYING PROCESS

- Only the “machine dryable” labelled () clothes can be dried in your machine.
- Do not dry your woollen, silk and sensitive clothes in your machine.
- If you continue to operate your washing machine whilst overloaded, washing and drying performances will be affected. Additionally, your washing machine can be damaged and you may see your clothes get yellow after drying programs.
- Dry your white and coloured clothes separately. It is recommended that, separate your coloured clothes, colour by colour.
- Select the most appropriate program for the material and the amount of your laundry before starting, drying, washing or washing/drying process.

PLEASE CHECK INSTRUCTION MANUAL FOR DETAILED INFORMATION.
