EURO SEATING INTERNATIONAL es fabricante de butacas líder en el mercado internacional por calidad, diseño, tecnología, innovación y competitividad.

A la vanguardia en soluciones para asientos de colectividades, **EURO SEATING INTERNATIONAL** diseña, desarrolla y fabrica sus productos.

Destaca en inyección de plástico y soplado, fabricación de asientos y respaldos uniblock en sus instalaciones de poliuretano y por su avanzado centro tecnológico de madera propio.

Cuenta con un departamento interno de I+D+I, oficina técnica y un equipo personal altamente cualificado.

Sus instalaciones, de más de 40.000m², en Ezcaray (La Rioja, España), cuentan con todos los medios técnicos para desarrollar todo tipo de proyectos, pasando por la fase de diseño, desarrollo de producto, fabricación íntegra e instalación.

EURO SEATING INTERNATIONAL está certificado en la norma de calidad ISO 9001, medio ambiente ISO 14001 y Ecodiseño UNE-EN ISO 14006. Más de un millón de butacas instaladas en más de 100 países lo avalan.

***EURO SEATING INTERNATIONAL** is market leader in the manufacturing of seats, due to key factors as quality, design, technology, innovation and power to compete.*

*At the forefront in solutions for communities seats, **EURO SEATING INTERNATIONAL** designs, develops and manufactures its products. It highlights in injection of plastic and blowing, in manufacturing of seats and backrests uniblock in its facilities of polyurethane and its own Wood technology center. It has a own R+D+I department, technical office and a staff trained.*

It's facilities, more than 40.000 m², in Ezcaray (La Rioja, Spain), are equipped with the most modern means to develop any project, through the design phase, development of product integrates manufacture and installation.

***EURO SEATING INTERNATIONAL** is certified in the quality standard ISO 9001, environment ISO 14001 and Ecodesign UNE-EN ISO 14006. More than one million seats installed over 100 countries across the world support it.*
